of the

Dr. Martin Luther King, Jr. Student Center and the New Dormitory for Men on Friday, the tenth of May nineteen hundred and sixty-eight at one o'clock in the afternoon Dover, Delaware

OFFICE OF THE PRESIDENT

April 26, 1968

Mrs. Coretta King 224 Sunset Avenue, N. W. Atlanta, Georgia

Dear Mrs. King:

The Board of Trustees of Delaware State College has named our new student building, the DR. MARTIN LUTHER KING, JR., STUDENT CENTER in honor of your distinguished husband.

The dedication is planned for May 10, 1968.

The Board of Trustees and I would like very much to have you come to Dover for this occasion and participate in the unveiling of a portrait of the late Dr. King, which will hang in an appropriate place in the Student Center.

We will be pleased to provide air transportation to Philadelphia and I could meet you there and drive to Dover, or any mode of travel you desire.

The Academic Dean of Delaware State College is Dr. Nathaniel P. Tillman, Jr., a native of Atlanta. We are requesting Dr. Tillman to go to Atlanta this weekend to discuss with you the dedication program, the portrait, and the matter of a book collection, and a permanent art painting of Dr. King for the Student Center.

I sincerely hope that you can be with us on May 10, 1968, and I look forward to hearing from you in this respect.

Very truly yours,

Luna I. Mishoe

DELAWARE STATE COLLEGE

Dear Mr. Mishoe:

Because of the tremendous volume of mail which has arrived in the days and weeks following Dr. King's assassination, it has been virtually impossible to deal with the many invitations and requests which have come in. In addition, the pressure of each day makes it difficult for the secretaries who are attempting to deal with these matters to keep abreast of developments.

Therefore, I am writing to say that since it is now May 14, it is obvious that Mrs. King was not able to be present for your dedication on May 10, --but I am not certain whether or not someone communicated with you concerning this prior to this letter. Perhaps Dr. Tillman contacted someone as you suggest in your letter.

In any event, you may be sure that Mrs. King is grateful for your kind invitation and is sorry that her many responsibilities at this time prevent her being present at the many occasions when her husband's work is being honored.

We hope that the dedication was successful.

Sincerely yours,

Frances S. Thomas (Mrs.)
